*Electric vehicles may not be eligible for purchase at lease-end. Please refer to your Lease Agreement for details. **A disposition fee applies to returned vehicles, if disclosed on the Lease Agreement. We want to help prevent any surprises as your journey ends. So, we invite you to get an inspection, review your wear and use, and check your mileage guidelines:

- Your vehicle inspection will be completed by Alliance Inspection Management (AiM). You should use their [scheduling tool](#) to make an appointment within 60 days of lease-end. To do this, you will need your Vehicle Identification Number (VIN) and Lincoln Automotive Financial Services Account number. If you can't schedule an appointment, please contact Lincoln Automotive Financial Services at 1-888-498-8801.
- Your lease vehicle is expected to be returned in good condition. However, Lincoln Automotive Financial Services allows for normal wear and use. Visit our Lincoln Automotive Financial Services [website](#) for specific information on Wear and Use guidelines.
- Keep in mind that if you purchased WearCare®, your Excess Wear and Use charges will be waived up to \$10,000 in most cases. See your WearCare Addendum for details and exclusions on coverage.
- Check your Lease Agreement, use [Account Manager](#), or give us a call at 1-888-498-8801 to confirm how many miles your current lease allows. If you exceed that amount, there will be additional fees per the agreement.
